

OTS-153/83

30 JUN 1983

MEMORANDUM FOR: Director of Personnel

THROUGH: Deputy Director for Science and Technology

FROM: M. Corley Wonus  
Director of Technical Service

SUBJECT: Premium Pay in Lieu of Overtime for Certain Office of  
Technical Service Personnel (C)

REFERENCE: Memorandum from Director of Technical Service to  
Director of Personnel dated 25 May 1983; same subject

25X1 1. On 25 June 1983 (see attached memorandum) you approved the granting  
of 20% annual premium pay in lieu of overtime for certain Office of Technical  
Service (OTS) employees with the caveat that this approval applies only to OTS  
personnel assigned to overseas stations. The purpose of this memorandum is to  
request your approval to extend this authority to two additional groups of OTS  
employees; specifically those assigned to [redacted] and those  
assigned to the Special Activities Division and home based either at  
Headquarters [redacted] Both of the groups of employees meet the criteria  
as presented in reference memorandum, i.e., they are subject to frequent and  
lengthy TDY's in the performance of their technical support responsibilities  
with the majority of this travel of an unscheduled or demand nature. The  
25X1 [redacted] although obviously located within the United States,  
provides direct field support to Central and South America just as our  
25X1 [redacted]  
25X1 [redacted] Our Special Activities Division employees, although home based at  
25X1 Headquarters [redacted] provide world-wide support in their area of expertise.  
This support has, over the past few years, been concentrated in (but not  
limited to) Central America and the Middle East. (C)

2. Based on the above, it is requested that you approve 20% annual  
premium pay in lieu of overtime for OTS employees assigned [redacted]  
and to the Special Activities Division. Determination of eligibility and  
certification for payment would be based on the same criteria as for overseas  
assignees in accordance with the criteria specified in the reference  
memorandum. Although there are other OTS employees who are from time to time  
required to perform lengthy TDY's, it would be our intent to request premium  
pay for them on a case-by-case basis as circumstances warrant. (C)
